

Attachment 3
Application for Section 214 Authority

Supplemental Information:

On August 26, 2004, Applicant submitted electronically an application for Special Temporary Authority (“STA”) to continue the provision of international telecommunications service on a resold basis while the instant application is processed by the Commission. For reference, the Submission ID of the STA application is IB20040011728.

On August 20, 2004, Applicant submitted to the Wireless Telecommunications Bureau an application for consent to assign cellular and associated microwave radio station licenses to Cellco Partnership (FCC File No. 0001846005).

Upon grant of the instant application Applicant plans to file an application for approval to assign its Section 214 authorization to provide international telecommunications service on a resold basis to Cellco Partnership. Upon receipt of all necessary regulatory approvals, and consummation of a sale of assets to Cellco Partnership, Applicant will cease to be a telecommunications service provider.
